**Northern Region, BC, April 2019** At the Canadian Cancer Society (CCS), we know that cancer changes people, but a cancer diagnosis doesn't have to define a person. With 1 in 2 Canadians expected to be diagnosed with cancer in their lifetime, our goal is to improve the cancer experience by helping people live longer & enhancing the quality of life for those affected by cancer. Because we believe that life is bigger than cancer. Through our Daffodil Campaign, we raise funds to help people with cancer live their lives more fully.

#### About the Daffodil Campaign

The Daffodil Campaign is a national fundraising initiative of the Canadian Cancer Society. Donors & supporters can proudly wear a Daffodil pin to show their support for our cause. Funds raised through the Daffodil Campaign are changing lives for the better through ground-breaking research & support programs that make life better for those affected by cancer.

#### About the Canadian Cancer Society

To the Gitxsan Nation.

Now that the Government of Canada scrape all Treaty.

- ⇒ Gitxsan Treaty Society does not exist nor should it be not be replaced by another society by the same people.
- ⇒ Gitxen should call for an investigation and audit in all business that the G.T.S. formed.
- ⇒ Society is not Gitxsan culture it divides the nation.
- ⇒ Since our court case of Delgamuukw decision our Gitxsan Nation was divided by forming G.T.S and Gitxsan Government Commission, this is cause of our Nation to fall apart.
- ⇒ We were a strong Nation when we were united as tribal council.
- ⇒ We should go back to what works for our Nation and form united Governance.

Concerned Gitxsan
