### Billy Simms

It is with sadness that we announce the passing of William (Billy) Thomas Simms on April 29<sup>th</sup>, 2024. Billy had resided in the long term care wing of the Wrinch Memorial Hospital for the last years of his life. Billy leaves behind his sister Norma Mikolayczyk and many nieces and nephews. He requested that there be no funeral or celebration of life and out of respect for his wishes there will be a simple burial later this summer. In lieu of flowers donations can be made to the Wrinch Memorial Hospital Foundation.

Older *Bulkley Browser* readers will certainly remember *The Beachcombers*, a half-hour CBC TV "family adventure" program broadcast on Sunday nights after *The Wonderful World of Disney* from 1972-1990. The show developed out of another popular 1969 program called *Adventures in Rainbow Country* set near Ontario's Lake Huron and featuring an Ojibwa character named Pete. A change in CBC executives snuffed the series, but the suits at the network still liked the idea. A couple of years later they came up with *The Beachcombers*, shot in Gibsons, BC, which followed Nick Adonidis and his Sechelt First Nation first mate Jesse as they rounded up stray logs with their boat the *Persephone* to sell back to logging companies. Their rough-around-the-edges rival was Relic. They hung around the café Molly's Reach.

The show certainly wasn't the critics' choice, but it was Canadian must-see TV in the seventies, partially because there was very little choice during that decade. *The Beachcombers* is one of the most successful Canadian television series of all time, and is the country's second-longest-running scripted television series. *The Beachcombers* was broadcast in more than 50 countries.

Emerald

Thought to improve memory, faith, and intuition, **emeralds** are a symbol for constancy and true affection. Some cultures believe them to grant their owner foresight, good fortune and youth. The name emerald is derived from the Greek word 'smaragdus' meaning 'green'.

#### Magnum

FOR ADOPTION: MAGNUM is a handsome, approximately 15 month old male that is looking for his loving forever family. This big fella was found as a stray over the winter. When no one claimed him his finder took him into her home as a foster to work on regaining his trust in humans. It was slow work at first but her dedication paid off and Magnum's friendly, cuddly and playful personality emerged. Magnum's finder already has a house full of pets and only took him in to help him get ready for his forever family so he moved into our care once he was comfortable with people. While Magnum was with his foster family we learned he is excellent with other cats and comfortable around small dogs. He has also been non reactive towards the calm large dogs he has briefly met while at the shelter. Magnum is a very friendly and affectionate cat. He thoroughly enjoys being pet and if you try to stop before he is ready he will grab your hand (without his claws) and pull it back towards him for more loving. Magnum is excellent with adults and teenagers, we've not had a chance to test him with small children but we think he will do well as long as they are able to give him time to warm up to them. Magnum seems quite comfortable indoor only and he could enjoy patio life or being indoor/outdoor in a safe area. He is neutered, vaccinated, tattooed and up to date on parasite control. If you've been looking for a large, affectionate feline apply today at [www.NWAS.ca](http://www.NWAS.ca) for a chance to meet MAGNUM.

Adoption fee: \$100+tax
