Fun Facts

The colours of new vehicles vary over time. From 1995 to 2020 the percent of new automobiles that were green fell from 19% to 4% while white vehicles increased from 6% to 23%. Purple autos almost disappeared over that 25-year period, dropping from 4% to 0.75%.

Quote of the Week

Life should not be a journey to the grave with the intention of arriving safely in a pretty and well-preserved body, but rather a skid in broadside in a cloud of smoke, thoroughly used up, totally worn out, and loudly proclaiming, "Wow! What a ride!"

What is Saint-Jean-Baptiste Day?

Saint-Jean-Baptiste Day – or the Fête nationale du Québec – is celebrated every year in Québec on **June 24**, usually coinciding with the summer solstice. It started a religious holiday in France to celebrate the birth of Saint John the Baptist, and became part of the culture of New France (Québec).

This big day on the social calendar was marked by huge bonfires and merrymaking. In the 1830s French Canadians decided to adopt this day as a patriotic holiday to solidify their French union. Today, the day is marked by parades, concerts, fireworks, picnics, barbecues and, of course, bonfires.

Fay Sturney

October 9, 1940 – June 3, 2024

It is with deep sadness that the family of Fay Sturney announces her passing in Merritt, BC, on June 3, 2024.

Born in Kamloops, BC, in 1940, Fay was the youngest daughter of Herbert and Hilda Greenwood. She graduated from Kamloops Secondary School and spent several years working with the BC Telephone Co. in Kamloops. Fay married her first husband Delbert Anderson in 1965 and had 2 children, Sean and Joli. The family moved to New Hazelton, BC in 1973 where Fay made many lifelong friends and operated the Shell bulk oil plant.

In 1979 Fay and her first husband divorced and she moved on from the Shell bulk plant. Fay started a successful 11-year career as the secretary at Hazelton Secondary School. This was a perfect position for her as it allowed her to have the same time off as her children, allowing for family time. Fay met the love of her life Bob Sturney in 1981, and they were married in 1984 in Hazelton, BC. They both loved to travel the world together - their favorite spot was Maui. They spent a very loving 25 years together before Bob passed away suddenly in 2009. Fay remained in Terrace until she moved to Merritt to be with her son and his family in 2018.

She was predeceased by her daughter Joli, her parents, her granddaughter Jolie-Ann, and her beloved husband Bob.

She is survived by her only son Sean (Christy), grandsons Mattias and Linden, her sister Marina, as well as her stepdaughter Heather, stepson Rob, her nieces Louise and Brenda, her nephew Norman, and many loving members of the Sturney family.

The Family would like to extend a very special Thank You to the Doctors, Nurses, and Care staff at Coquihalla Gillis House for all their support over the last few months.

Fay would like you to celebrate her memory in your way, and to honour her wishes, there will be no service.

In lieu of flowers, please donate to the Cancer Society of BC, Heart & Stoke Foundation of BC, or the Alzheimer Society of BC.

Gitksan Huwilp Government (GHG) invite you to our second Open Forum addressing the overwhelming death rate of people in our families, due to drug abuse.

The first GHG Open Forum held on April 24, 2024 had a great turnout which shows that we all want the same outcome for our people.

There were many concerns brought forward at the last gathering. One message that came out loud and clear is that everyone needs to work together on the crisis we face. We have all been impacted by the loss of loved ones due to drug use.

On June 26th "What are the next steps"? How do we work together to save our children, grandchildren, nieces, nephews and friends. We want two solid solutions by day's end.

For further information please contact Carlene Wright at Carlene.wright@gitksanhuwilpgovernment.ca or you call the office at 250-842-6780

Brian Williams, Chairperson
