The staff of the **Grace Lynn Centre** has been making sandwiches and buying fruit and granola bars for the 30 people who are OAT clients. This means the clients are receiving Opioid Agonist Therapy to help battle addiction. They see a Northern Health OAT nurse every day. About a year ago we were asked if we could provide a simple sandwich and a piece of fruit 4 days a week and fruit and granola bars for Fridays. The program started with 20 people and is now at 30 people. The food has been really helpful to the people experiencing addiction and we want to continue. We have received funding through the Wrinch Memorial Foundation and donations from Jocelyne McLean's comedy night proceeds, BVUCU and RDKS, but this is still several thousand dollars short of what it takes to run this program for a year! We are looking for financial donations. We are looking for food donations of meat, cheese, mayonnaise, fruit and granola bars. We are getting some bread from the Skeena Bakery but could use more.

A HUGE thumbs down to the children that continually vandalize the washrooms at Allen Park. You are costing thousands of dollars damage, with no consideration for the people who would like to be able to use the washrooms! Lighting fires, ripping stuff off the walls, plugging toilets, & more is not acceptable & if it continues, the washrooms will be closed permanently. It is extremely disappointing you do not appreciate the park & what it offers for our community. Shame on you!

### Riddle

? Last week's answer: A centipede on its back.

• The first two letters signify a male, the first three letters signify a female, the first four letters signify a great man, while the entire word signifies a great woman. What is the word? *Answer next week.*

Huge thumbs up to all the Red Apple staff. A blessing to the Salvation Church & to the residents of New Hazelton & surrounding area. Thank you very much. We appreciate your time & effort for the gathering of food hamper & Christmas gifts.

### Did you know?

There are a few species of trees that have characteristics of both deciduous and coniferous trees. These trees grow cones and needles like evergreens, but also change colours and lose their needles annually like the deciduous family. American Larch (Tamarack) is one such tree.

 Two thumbs up to April Sebastian & her lovely daughter for finding & returning my card at Red Apple. It is so great to know there are honest & kind people in our community. Thank you!! 

**Fun Facts**

On August 7, 1969, Kelowna, BC achieved some North American fame when thousands of its downtown windows were blown out by a sonic boom made by a F-4J Phantom from the United States Navy Blue Angels Flight Demonstration Squadron. As the offending Captain Vincent Donile explained, "I was a little late for that Four Plane Cross and was doing Mach .99 to catch up, which I did, but I flew over a cold lake and went supersonic for a second or two..."

**Miguel**

Miguel is a sweet and personable 9 year old male cat looking for his forever home. Miguel had fallen from a tree before being surrendered into our care, shattering his front left leg and dislocating his jaw. The jaw was reset, but his shattered leg needed to be removed. Miguel is easy going with other cats and non reactive to calm dogs, so we expect he will do well with most family dynamics.

Miguel is neutered and vaccinated.
