Chansey

Chansey is a sweet and absolutely stunning 1 year old female looking for a quiet forever home. A beautiful solid white little lady, Chansey arrived with a badly injured tail either from getting caught in a door or possibly from being grabbed by a predator.

Unfortunately most of her tail had to be amputated, but she loves to wag her adorable stump of a tail when she is happy. Chansey is cuddly and affectionate, and gets along well with other cats. Chansey is spayed and vaccinated. Adoption fee \$107 including tax.

Ama sii anjok “Good New Homes”

New BC Housing Apartments are nearing completion and will be managed by the Wrinch Memorial Foundation Society (WMF). This project was initiated to serve seniors and families in the Upper Skeena who are currently considered to be in the low to middle income range. Construction on this project is scheduled for completion in late January and will hopefully allow for units to be available in February/March. As a fully funded BC Housing project, the application process will use their forms and comply with BC Housing requirements. There are three apartment types: 1, 2 and 3 bedroom, 31 units in total, and there are three categories of rent structure:

Deep Subsidy: 6 units for families or individuals on basic government pensions;

1 bedroom	2 bedroom	3 bedroom
\$500/month	\$695/month	\$790/month
Must make under \$23,549 annually, gross family income	Must make under \$29,436 annually, gross family income	Must make under \$29,436 annually, gross family income

Rent Geared to Income (RGI): 15 units rent will be calculated as a percentage of the occupant's annual income;

1 bedroom	2 bedroom	3 bedroom
\$762.50/month	\$925/month	\$1,162.50/month
Must make under \$30,500 annually, gross family income	Must make under \$37,000 annually, gross family income	Must make under \$46,500 annually, gross family income

Market Rents: 10 units

1 bedroom	2 bedroom	3 bedroom
\$1,008/month	\$1,230/month	\$1,375/month
Must make under \$84,780 annually, gross family income	Must make under \$134,140 annually, gross family income	Must make under \$134,140 annually, gross family income

If the applicant's annual family income exceeds the Deep Subsidy or RGI set levels, they would still be eligible to apply for the Market Rate accommodation or Rent Geared to Income. All units are finished to the same good standard.

There will be a Public meeting at the Anglican Church Hall in Hazelton, Saturday Dec 14th, from 3:00 to 5:00 PM to answer your questions. Architectural drawings of the typical suites and landscaped grounds will be on display. We will also have information on the application process and copies of the application forms will be on hand.
