 My wife called me at the bar last night.
 She said, "If you're not home in 10
 minutes I'm giving the dinner I cooked
 for you to the dog." I was home in 5.
 Hate for anything to happen to our dog.

Fun Facts

The Canadian representative to sign the Japanese Instrument of Surrender in Tokyo Bay in September 1945 signed the wrong line. Colonel Lawrence Moore Cosgrove was the most junior officer among all the admirals and generals, he was nervous and only had sight in one eye. His mistake forced the subsequent signatories to also put their names in the wrong lines too. An American officer then hand wrote corrections beside the lines. The Japanese delegation at first refused to sign the blemished document.

Nimbus

NIMBUS is an absolutely stunning adult male that is estimated to be just under 2 years old. He is a huge love bug that gets along well with people of all ages. He is a snuggler when the mood strikes and super fun to play with as well. He pairs well with kittens or young playful cats, but would be happiest in a dog free home. Nimbus is neutered and vaccinated. Adoption fee \$107 including tax.
